Mems

In para 9 of Govt Pro. dated 18th October 1889 it was observed that "L. D. dispensaries are intended only for out-door patients, but in cases of extreme poverty and urgency, they have no objection to a few patients being fed at the cost of the L. D" and an annual provision of Rs 25 was ordered to be made for feeding in patients in each L. D. dispensary

(2) Subsequently the Govt sanctioned the construction of two small rooms, one for male and one for female patients in connection with each dispensary building, where there is no accommodation available at present close by in the shape of a Govt building or Chattram. The Inspector

Pro of 24/9/90 No 7683-93 Civ 159.

00100001

Two thirds of the cost of these rooms was ordered to be met from Provincial funds, the remaining one-third being debited to the D.F or Municipal funds in places where there are Municipalities.

(3) The Dy Comr of Trincomalee and Kadeer having brought to the notice of Govt the inconvenience when cooking had to be done in certain dispensaries in their respective Districts, the Govt sanctioned the payment of an allowance of 3 Rs per mensem to the waterman of each of the dispensaries visited in the margin (Vide Govt Pro

[(4) To meet the cost of feeding in patients a permanent advance of Rs 5 to each of the Hospital Assistants in charge of L. F. Dispensaries was sanctioned in Pro. etc 2246. 5.5 L 327 dated 9th May 1892.]

(5) The Senior Surgeon with his letter etc 2797 dated 11th June 1896 now requests sanction to the bill for Rs 4-15-4, being the excess expenditure incurred in the Yedatore Dispensary in feeding

(2) The Senior Surgeon also recommends that the amount for feeding in. patients may also be raised from Rs 25 p.a sanctioned in Pro dt 22/6-55 & 327 dt 9/5/92 to Rs 60 per annum. In the case of the 10 Dispensaries referred to in para 3 above, the cost exceeds Rs 60 now proposed by Dr. Benson

Sir,

During my recent tour to Nunjengode, I happened to inspect the Local Fund Dispensary at the town, when I found that no provision had been made for receiving in-patients. Steps are being taken to arrange with the owner of the building in which the Dispensary is now located to provide accomodation for them, but for the feeding of the in-patients when admitted into the Dispensary it appears necessary that the Hospital Assistant in charge should be furnished with a small permanent advance.

2. I would therefore recommend that you will kindly obtain sanction of Government for allowing permanent advances to the Hospital Assistants and Taluq Sheristadars as per margin, Subject to recompmently Submission of monthly detailed bills. A reference from the Civil Surgeon on the Subject together with Enclosure, is herewith Submitted for your information

SECRETARIAT MYSORE

To,

The Chief Secretary to the
Government of Mysore

Sir,

With reference to Government order No: 10955-64 of the 8th instant (received to-day) L. 975 about placing some money in the hands of Taluk Sheristadars and Hospital Assistants to meet the charges of feeding in-patients in Local Fund Dispensaries, I beg to state that at present such cases are very few in this district. In cases where in-patients happen to be in Local Fund dispensaries the Hospital Assistants in charge incur needful charges out of their Contingent amounts and send in Bills through the Amildars to the District Office where they are checked, Counter-signed and passed on to the Comptroller for audit. Then the bills go back to the Hospital Assistants concerned who draw the money and make the necessary adjustments. This seems to be sufficient

sufficient for the present, but if the Government think it necessary to have an advance for the purpose, a sum of 10 Rupees for each Dispensary seems quite ample. But the money may I think, be left with the Amildars
